The University of Florida is a major public, comprehensive, land-grant research university. Florida’s oldest and most comprehensive institution of higher learning, UF is among the nation’s most academically diverse public universities. The College of Public Health and Health Professions and the College of Medicine are each part of the University’s Health Science Center, which also includes the Colleges of Pharmacy, Nursing, Dentistry and Veterinary Medicine.

The Department of Epidemiology is jointly administered by the College of Public Health and Health Professions and the College of Medicine at the University of Florida. Our mission is to improve health globally through education, training, research and service.

APPLICATION TO THE GRADUATE SCHOOL

APPLICATION TO THE MS IN EPIDEMIOLOGY PROGRAM

Students network with field leaders from Colleges in the Health Science Center:

- Dentistry
- Medicine
- Nursing
- Pharmacy
- Public Health and Health Professions
- Veterinary Medicine

**THE MS IN EPIDEMIOLOGY**

Students are trained in the foundational aspects of epidemiology including person, place and time, risk and protective factors, and the social determinants of health.

Areas of focus include chronic disease, infectious disease, geriatric, environmental, psychiatric, social, spatial, genetic, cancer and maternal and child health epidemiology.

- 36 credit program
- Requires mentored research
- Culminates in a publishable thesis
- Balances local and global concerns

**GRADUATES OF THE MS IN EPIDEMIOLOGY WILL BE ABLE TO:**

- Apply surveillance, assessment, evaluation and other foundational epidemiological research design to all areas of interest.
- Choose appropriate measurement and analytic methods to study health and disease in a population.
- Utilize biological, behavioral and social theory to understand how to prevent and intervene to promote the public health.

**TO APPLY**

Students must apply to and be accepted by both the UF Graduate School and the Master of Science in Epidemiology programs.

**QUESTIONS?**

Contact the Program Assistant at: (352) 273-5961
or by email: abihummel@ufl.edu
Program Director at: cstriley@ufl.edu

**FACULTY**

Faculty in Epidemiology are committed to multi-disciplinary research, teaching and advising. They are leaders in their respective fields. Each student will have both a Research Mentor and an Academic Advisor.

**CORE FACULTY**

Linda B. Cottler, PhD, MPH, FACE
Dean’s Professor and Chair
Associate Dean for Research
Catherine Striley, PhD, MSW, MPE
MS Program Director

Xinguang (Jim) Chen, MD, PhD
Ting-Yuan (David) Cheng, PhD
Robert L. Cook, MD, MPH
Kelly K. Gurka, MPH, PhD
Hui, Hu, PhD
Volker Mai, PhD, MPH
Thomas A. Pearson, MD, MPH, PhD
Cindy Prins, PhD, MPH, CIC, CPH
Mattia Prosperi, MEng, PhD
David S. Sheps, MD, MSPH
Ronald I. Shorr, MD, MS
