

Jamie L. Pomeranz, Ph.D., CLCP, CRC

Associate Professor

Pomeranz@php.ufl.edu

352-273-6566

EDUCATION

Doctor of Philosophy, Rehabilitation Science UNIVERSITY OF FLORIDA, Gainesville, FL	April 2005
Master of Health Science, Rehabilitation Counseling UNIVERSITY OF FLORIDA, Gainesville, FL	December 2000
Master of Exercise and Sports Science UNIVERSITY OF FLORIDA, Gainesville, FL	April 1998
Bachelor of Science, Nutrition and Fitness FLORIDA STATE UNIVERSITY, Tallahassee, FL	May 1995

SPECIALIZED TRAINING

University of Florida Advanced Leadership Academy	May 2014
University of Medicine and Dentistry of New Jersey (UMDNJ) Tobacco Treatment for People with Mental Illness Training	February 2009
University of Medicine and Dentistry of New Jersey (UMDNJ) Tobacco Cessation Specialist Training	April 2008
Medipro Seminars Life Care Planning Pre-Certification Program	April 2003

PROFESSIONAL ACADEMIC EMPLOYMENT HISTORY

Jan 2005 - Present	Associate Professor (2012-Present) Associate Chair (2011-2016) Director of Bachelors of Science Honor's Program (2014-Present) Director of Distance Education Programs (2009-Present) Assistant Professor (2005-2012) University of Florida, Gainesville, FL
May 2002 - Aug 2003	Research Assistant, University of Florida, Gainesville, FL
Aug 2003 - Dec 2003	Instructor, University of Florida, Gainesville, FL

Aug 1996 - May 2000

Consultant of Exercise Therapy Program, **University of Florida**,
Gainesville, FL

COURSES TAUGHT/TEACHING

Graduate

Psychosocial and Cultural Foundations of Rehabilitation Counseling
Vocational and Lifestyle Assessment in Rehabilitation Counseling
Group Process and Theory in Rehabilitation Counseling
Community Counseling and Case Management
Ethical, Legal and Professional Issues
Rehabilitation Counseling Practicum I
Rehabilitation Counseling Practicum II
Rehabilitation Counseling Internship
Seminar in Instrument Development for Public Health
Critical Issues in Public Health
Research Methods
Ph.D. Journal Club
Counseling for Audiologists

Undergraduate

Vocational Services in Rehabilitation and Human Services
Rehabilitation Services Practicum I
Undergraduate Services Practicum II
Psychosocial Aspects of Rehabilitation
Critical Issues in Public Health
Research Methods
Ethics and Legal Issues in the Health Professions
Therapeutic Communications

PROFESSIONAL NON-ACADEMIC EMPLOYMENT HISTORY

May 2002 - April 2005

Vocational Rehabilitation Counselor, **Claude Seltzer & Associates**, Sunrise, FL

Provided case management and vocational rehabilitation services to individuals with disabilities and work related injuries. Administered reemployment assessments, vocational evaluations, and vocational assessments. Conducted job analyses on positions held by individuals with work related injuries. Provided job development and job seeking skills training. Completed Individualized Written Rehabilitation Plans. Provided counseling services. Assisted employers in providing job modification and reasonable accommodations for individuals returning to work with

disabilities.

Jan 2001 - May 2002

Vocational Rehabilitation Counselor, **Innovative Resource Group**, Sunrise, FL

Provided case management and vocational rehabilitation services to individuals with disabilities and work related injuries. Administered reemployment assessments, vocational evaluations, and vocational assessments. Conducted job analyses on positions held by individuals with work related injuries. Provided job development and job seeking skills training. Completed Individualized Written Rehabilitation Plans. Provided counseling services. Assisted employers in providing job modification and reasonable accommodations for individuals returning to work with disabilities.

Piantieri, S., Velozo, C.A., Barrett, B., Byers, K., **Pomeranz, J.L.**, Lehman, L., Wang, Y-C., Gray, D. Development of a computerized adaptive measure for the activity dimension of the ICF. Presentation at the American Occupational Therapy Association's 84th Annual Conference. Minneapolis, MN, May 22, 2004.

Lehman, L., Velozo, C., **Pomeranz, J.L.**, Byers, K., Piantieri, S., Wang, Y-C. Improving assessment of upper extremity function: Development of a measure based on the International

Classification of Functioning, Disability, and Health (ICF). Presentation at the Rehabilitation Research Day at the University of Florida. Gainesville, FL, May 10, 2004.

Piantieri, S., Velozo, C., Barrett, B., Byers, K., **Pomeranz, J.L.**, Lehman, L., Wang, Y-C., Gray, D. Using modern measurement theory and web-based technology to develop efficient and precise measures of disability. Presentation at the Rehabilitation Research Day at the University of Florida. Gainesville, FL, May 10, 2004.

Pomeranz, J.L., Lehman, L. Velozo, C. A. Development of a data entry, management, and reporting system for rehabilitation research. Presentation at the 17th Annual College of Public Health and Health Professions Research Day University of Florida. Gainesville, FL, April 16th, 2004.

Wang, J-H., Velozo, C.A., **Pomeranz, J.L.**, Lehman, L.A., Piantieri, S., Byers, K., Wang, Y-C., Gray, D. Development of a self-report measure of wheelchair mobility for patients with spinal cord injury based on the International Classification Of Functioning, Disability And Health. Presentation at the 17th Annual College of Public Health and Health Professions Research Day University of Florida. Gainesville, FL, April 16th, 2004.

Lehman, L.A., Velozo, C.A., **Pomeranz, J.L.**, Byers, K., Piantieri, S., Wang, Y-C. Improving assessment of upper extremity function: Development of a measure based on the International Classification of Functioning, Disability And Health (ICF). Presentation at the 17th Annual College of Public Health and Health Professions Research Day University of Florida. Gainesville, FL, April 16th, 2004.

Piantieri, S., Velozo, C.A., Byers, K., **Pomeranz, J.L.**, Lehman, L.A., Wang, Y-C. Development of a self-report measure of disability for back pain. Presentation at the 17th Annual College of Public Health and Health Professions Research Day University of Florida. Gainesville, FL, April 16th, 2004.

Wang, Y-C., Velozo, C.A., Lehman, L.A., Piantieri, S., **Pomeranz, J.L.**, Byers, K. Using differential item functioning to determine invariant measures across different diagnostic groups. Presentation at the 17th Annual College of Public Health and Health Professions Research Day University of Florida. Gainesville, FL, April 16th, 2004.

Velozo, C.A., Barrett, B., Piantieri, S., Byers, K., **Pomeranz, J.L.**, Lehman, L., Wang, Y-C., Gray, D., Development of a Computerized Adaptive Measure of Disability Based on the ICF. Ninth North American Collaborating Center Conference on ICF, St. Louis, June 17, 2003.

Lehman, L.A., Velozo, C. A., **Pomeranz, J.L.**, Byers, K., Piantieri, S., Wang, Y-C. Development of a measure of upper extremity function based on the ICF. Ninth North American Collaborating Center Conference on ICF, St. Louis, June 17, 2003.

Stopka, C., **Pomeranz, J.L.**, & Benham, T. The Effects of an Integrated University-Based Fitness and Sports Program for Adolescents with Mental Retardation. 6th National Conference on Adapted Physical Activity, Macomb, March 28, 1998.

DOCTORAL STUDENT COMMITTEES (16)

Advisor and Committee Chair, Rehabilitation Science Doctorate: Vicky Buckles Dissertation Title: Exploring Issues During Special Needs Adoptions and the Applicability of Life Care Plans to Address Them. University of Florida. Graduated 2011.

Advisor and Committee Chair, Rehabilitation Science Doctorate: Rick Robinson, Dissertation Title: Identification of Core Variables to Be Considered in an Assessment of Vocational Earning Capacity in a Legal-Forensic Setting: A Delphi Study. University of Florida. Graduated 2011.

Doctoral Committee Member, Rehabilitation Science Doctorate: Jillian Heilman, University of Florida. Dissertation Title: The Psychosocial Impact of Locomotor Training on Children with Severe, Chronic Incomplete Spinal Cord Injuries. Graduated 2009.

Doctoral Committee Member, Counseling Education Doctorate: David Jackson, University of Florida. Dissertation Title: Facilitating Injured Workers Return to Work: Using Job Analyses and Other Select Variables to Prevent Prolonged Disability, Graduated 2008.

Advisor and Committee Chair, Rehabilitation Science Doctorate: Pablo Saldana, Dissertation Topic: Vocational Development for Individuals with Cystic Fibrosis. University of Florida. Graduated 2012.

Advisor and Committee Chair, Rehabilitation Science Doctorate: Nami Yu, Dissertation Topic: Effects of Employment on Aging Individuals with Disabilities. University of Florida. Graduated, 2014.

Doctoral Committee Member, Public Health Doctorate: Melissa Vilaro, University of Florida. Assessing environmental factors associated with healthy food options for rural populations. Graduated 2014.

Advisor and Committee Chair, Public Health Doctorate: Julie Merten, University of Florida. Addressing skin cancer risks in adolescents. Graduated 2014.

Advisor and Committee Chair, Public Health Doctorate: Jessica King, University of Florida. Graduated 2015.

Doctoral Committee Member, Education Doctorate: Christopher Beland, University of Florida. Verbal persuasion and educator experience effects on Elementary school teachers' self-efficacy. Graduated 2016.

Doctoral Committee Member, Public Health Doctorate: Helena Chapman, University of Florida. Graduated 2016

Doctoral Committee Member, Rehabilitation Science Doctorate: Paul Arthur, University of Florida, Graduated 2017.

Doctoral Committee Member, Public Health Doctorate: Jarrett Brunny, University of Florida, Expected Graduation 2017.

Advisor and Committee Chair, Public Health Doctorate: Jennifer Wong, University of Florida., Expected Graduation, 2017.

Advisor and Committee Chair, Public Health Doctorate: Nichole Stetten, University of Florida., Expected Graduation 2018.

Advisor and Committee Chair, Rehabilitation Science Doctorate: Lara Zwilling, University of Florida Title: Exploring Issues During Special Needs Adoptions and the Applicability of Life Care Plans to Address Them. University of Florida. Graduated 2011.
